Dan Let's play football!

Ella No, let's draw pictures.

What's this? It isn't my pen, and it isn't my mum's pen.

A notebook is on the table, too. Ella draws a picture.

What's that?

It's a football.

Suddenly ...

I don't understand.

Now the picture of a ball isn't a picture. It is a BALL!

Good idea.

Then ...

Look! It isn't a picture of an apple. Now it is an apple!
